'Improving Hyndburn's Wildlife' project

Thanks to players of People's Postcode Lottery PROSPECTS has received £19,887 for the 'Improving Hyndburn's Wildlife' project. The funding boost from Postcode Local Trust will enable PROSPECTS to create and enhance habitats for wildlife working with schools, faith and community groups and residents of all ages.

PROSPECTS has support individuals and groups to develop their own spaces for wildlife by running training and activity sessions where residents could learn to identify different species, make bird & bat boxes, hedgehog homes and bug hotels, plant bulbs and plants for pollinators etc whilst picking up tips on habitat management.
