

MAKE A SINGLE CHAMBER BAT BOX Saturday, 8th & 22nd September

Everyone Welcome, Sessions with Barry
from Wood Creations, Adults Only.

Bats need new habitats as many of their traditional roosts have been lost over recent years. Somewhere nice to roost for these night-time creatures.

There are 12 FREE places on this two-part course where you will learn basic woodworking skills. You must be available for both workshops to complete your bat box. Trainer, wood & tools provided. You may need to bring paint, decorations and fastenings.
