

Creative Containers & Perennial Cottage Plants

Bring beneficial insects to your garden
With Lyndsie Snape, Potty About Herbs

Bring your own unusual container/s.

Recycle something—be creative!

We will have some containers and use plants that are perennial, herbaceous and feature in cottage borders —native plants as these attract the most wildlife and plants that are rich in nectar and draw in plenty of insects e.g. butterflies, moths, flying insects.

Booking Essential

Plants and Seeds provided

This workshop will be held
at Oak Hill Park, Accrington

Lots of ideas on Facebook for

Containers! <https://tinyurl.com/y8h62pg9>
