

**MAKING A WOODEN GARDEN PLANTER
FOR YOUR GARDEN OR BACKYARD
Saturday, 24th March 2018**

**Create a mini garden in a
wooden planter for
insects, bees & butterflies**

There are 12 FREE places on this two-part course where you will learn basic woodworking skills. The second session is on 21st April and you must be available for both workshops to complete your planter. All materials provided.

Please take part in the Improving Hyndburn's Wildlife Survey — use the link below to complete the Survey.
