

Part of the East Lancashire  
Cycleway Project  
(The Scenic Route Hyndburn)

## 'Mini Beasts' with local artist Kerris Casey-St. Pierre, Mid Pennine Arts

Woodnook Vale and your garden are great places to start looking for Mini Beasts! Come along for a short walk and find out how to look for and identify mini beasts. A printable chart showing many things to look out for will be available on the day. You will then go to Oak Hill Park where you will be able to make a bug hotel to take home & hang in your garden or backyard.

**This is a family event.**
