

## Pond Survey Training Whinney Hill

**Book Now** for 18th July, 10:00am to 12:00pm

Join PROSPECTS and Simon,  
a biological surveyor, on a  
morning session to learn  
about pond surveying

Learn various pond survey methods including bottle trapping, egg search, netting and kick sampling. If you're interested in this work or have a garden pond and want to learn about it then come along to Whinney Hill . Meet at Livingstone Road entrance BB5 5BS

**Places Must Be Booked In Advance**
