

# MAKE A TOAD ABODE

## Saturday, 17th Nov & 1st Dec

Everyone Welcome, Sessions with Barry  
from Wood Creations, Adults Only.

Having toads in the garden is very beneficial as they naturally prey on insects, slugs and snails, up to 10,000 in a single summer.

Having a resident toad keeps the pest population down!

<https://www.gardeningknowhow.com/garden-how-to/beneficial/how-to-attract-toads.htm>

There are 12 FREE places on this two-part course where you will learn basic woodworking skills. You must be available for both workshops to complete your Toad Abode. Trainer, wood & tools provided. You may need to bring paint, decorations and fastenings.
